

SafeSport Policy

(Youth Protection guidelines and procedures)

It shall be the policy of USRowing that each member organization adopts an athlete safety program by December 31, 2014. In the case of organizations that are representative of a formal parent organization such as a university or school, then the policy in place and required by that entity may be used, providing it addresses the minimum components. The policy shall apply to (1) member organization employees; (2) athletes the member organization designates for participation in any USRowing registered or branded event; and (3) individuals the member organization formally authorizes, approves or appoints to (a) a position of authority over, or (b) to have frequent contact with athletes.

The athlete safety program shall include, at a minimum, the Following components:

1. Prohibited Conduct: definitions of misconduct
 - Bullying
 - Hazing
 - Harassment (including sexual harassment)
 - Emotional misconduct
 - Sexual Misconduct (including child sexual abuse)
2. Screening-Criminal Background Checks
3. Education and Training
4. Report procedures and policies
5. Enforcement procedures and policies
6. Monitoring procedures and policies

By implementing an athlete safety program, member organizations of USRowing shall be guided by the principle that supporting health and safety of its athletes is a key element of its managerial capabilities.

Failure to meet the minimum standards set forth in this policy may result in disciplinary actions by the member organization including, without limitation the withdrawal of membership or insurance liability coverage.

Exceptions to these minimum standards, based on the organizational structure of the member organization, may be granted by USRowing on a case-by-case basis where appropriate, provided that such exceptions do not materially endanger athletes, Such requests shall be made in writing to the USRowing CEO.

Overview

ETRO SafeSport Youth Protection Policy & Procedures

The **ETRO SafeSport** Youth Protection program encompasses six strategies utilized to recognize, reduce and respond to child physical and sexual abuse and other types of misconduct in sport. For each strategy there is also an associated policy or policies, for **ETRO's** unique needs.

ETRO SafeSport Youth Protection Policy & Procedures

The design and implementation of these strategies have been adopted based upon several factors, which include, without limitation:

Sport-Specific Factors

- The sport of Rowing
- The amount of hands-on teaching required
- The sport's professionally-accepted training methods
- The extent of youth involvement (including youth athletes, referees, officials and support staff)
- Where training and competition take place
- Travel demands
- How the athletes and/or team travels
- Whether there are any special needs within the group
- The ages of the athletes and other sport participants
- Whether there is mixed-gender participation
- Whether there are mixed-age groupings
- Other sport-specific opportunities (e.g., locker rooms and changing areas) for misconduct to occur

Organizational Factors

- Organizational resources, including money, time, personnel, expertise, and qualifications
- The demographics of the organization's membership
- The size of the organization's membership
- The organization's legal relationship with its members and member clubs
- The organization's governance documents
- The organization's legal and business structure
- The organization's strategy for implementing a participant safety program, including who will be responsible for setting and implementing policies and procedures (e.g., depending on the organization's structure and resources, certain aspects of the organization's program may be most effectively and efficiently implemented at the local, regional or national level)

Standards

- Applicable federal law
- Applicable state law
- Existing standards of care

Will implementing the participant safety policies in this handbook eliminate misconduct in sport?

No. There is no way to avoid all risk of all misconduct in sport.

1. TRAINING AND EDUCATION:

Our policies and procedures require staff members and/or volunteers to report abuse, misconduct and violations of our **ETRO** SafeSport Policy or Participant Handbook. To do so, staff members (coaches, riggers, admin, support staff at boathouses) and/or volunteers (volunteer coaches, parent chaperones, referees, other volunteers) should have a basic understanding of sexual abusers, as well as “grooming,” the most common strategy offenders use to seduce their victims. Using a combination of attention, affection and gifts, offenders’ select a child, win the child’s trust (and the trust of the child’s parent or guardian), manipulate the child into sexual activity, and keep the child from disclosing abuse.

Accordingly, staff members and/or volunteers complete an awareness training concerning misconduct in sport before performing services for **ETRO**. Misconduct in sport includes:

- Bullying
- Harassment
- Hazing
- Emotional misconduct
- Physical misconduct
- Sexual misconduct, including child sexual abuse

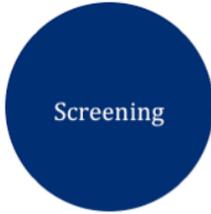

Staff members and/or volunteers must successfully complete the training and the quiz after the test.

Those staff members and/or volunteers who are required to take awareness training will take athlete awareness training every two (2) years, or no more than 30 day(s) before they have contact with athletes.

Application

This Policy applies to

- **ETRO** Staff members – Paid or Volunteers
 - i. All Coaches
- **ETRO** Program volunteers
 - i. Youth program chaperones
 - ii. Any individual who is in direct contact with or a position of authority with Youth participants.
- **ETRO’s** athletes and participants Parents, separate USR from Parent-mandatory reporting regardless of abuse source. Parents.

2. APPLICANT SCREENING

All **ETRO** Staff members, contractors and/or volunteers must consent to, and pass, a formal applicant screening process before performing services for **ETRO**.

Elements of our screening process include, as applicable, successful completion of an application, interview, reference check and criminal background check.

EDUCATION ABOUT THE **ETRO PROTECTION POLICIES**

To deter applicants who may be at risk of abusing athletes or participants from applying for positions, **ETRO** educates its applicants about its protection policies and offers applicants an early opt-out by:

- Requiring awareness training before placement and/or before working with athletes and participants
- Informing applicants about our policies and procedures relevant to prevention
- Asking applicants to review and agree to our policies and procedures before proceeding with the process
- Requiring applicants to sign a document acknowledging review of our policies and procedures

WRITTEN APPLICATIONS

Each applicant for a Staff position – paid or volunteer, will complete an application form consisting of personal, identifying information and a general release with applicant's signature.

The written application will:

- Ask about previous work and volunteer experiences
- Ask questions intended to illicit information concerning high-risk behaviors
- Provide a written release for contacting personal references and performing a criminal background check, including an indemnification clause
- Ask open-ended questions that encourage broad answers
- Use disclosure statements to ask applicants about previous criminal arrests or convictions for sexual offenses, violence against youth and other violent criminal offenses or felonies

PERSONAL INTERVIEW

Appropriate staff will interview Staff applicants whose experience and credentials are considered a fit for available positions. During this interview, **ETRO** interviewers will ask questions to encourage discussion, clarify responses and expand on the applicant's answers to questions from the written application.

REFERENCES

References of applicants will be contacted (either by phone or in writing) and asked specific questions regarding the applicant's professional experiences, demeanor and appropriateness for involvement with minor athletes and participants.

RELEASE

Each Staff applicant will also provide a signed release, consistent with federal, state and local laws regulating employment practices, that allows references to speak freely about the applicant's qualifications without fear of reprisal and authorizing **ETRO** to obtain information concerning an applicant's past employment, volunteer experience and information provided by the applicant during the screening process (i.e., written application and personal interview).

CRIMINAL BACKGROUND CHECK POLICY

All Coaching Staff applicants will be asked to undergo a criminal background check that complies with the Fair Credit Reporting Act **before** providing services for **ETRO**. Through this criminal background check, **ETRO** will utilize reasonable efforts to ascertain past criminal history of an applicant.

PROCESS

The Criminal Background Check Consent and Waiver Release form must be submitted and the Staff applicant cleared before he or she may perform services for **ETRO**.

On receipt of the Criminal Background Check Consent and Waiver Release form, **ETRO** will request that its vendor perform the criminal background check. As part of its criminal background check, **ETRO** will, at a minimum and without limitation.

- (1) Perform a national search of state criminal repositories
- (2) Perform a search of state sexual offender registries
- (3) Verify a person's identification against his or her social security number or other personal identifier.

POTENTIALLY DISQUALIFYING FACTORS

Criminal History

ETRO will use a criminal background check to gather information about the proposed Coaching Staff applicant's prior criminal history. The information revealed by the criminal background check may disqualify an applicant from serving as a staff member, contractor and/or volunteer.

Information that could disqualify an applicant includes, but is not limited to, arrests, pleas of no contest and criminal convictions—especially if the underlying criminal behavior involved sex or violence.

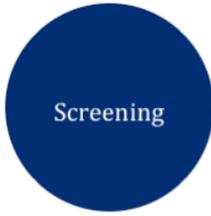

Pending Court Cases

No decision will be made on an individual's eligibility for work as a new staff member, contractor and/or volunteer if they have a pending court case for any of the potentially disqualifying offenses until the pending case concludes. If, however, during the case's pendency, the organization undertakes an independent investigation and conducts a hearing, any determination may be used to disqualify the individual.

Full Disclosure

Each applicant has the affirmative duty to disclose his or her criminal history. Failing to disclose or intentionally misrepresenting an arrest plea or conviction history in an application or any other information provided by an applicant during the screening process is grounds for employment, volunteer and/or membership revocation or restriction, regardless of when the offense is discovered.

- If an applicant (1) is arrested, (2) pleas or (3) is convicted of a crime other than a traffic offense during the screening process, the applicant is required to disclose such information immediately.
- In the event a person is serving as a staff member, contractor or volunteer and (1) is arrested, (2) pleas or (3) is convicted after the completion of the screening process, he or she has an affirmative duty to disclose such information immediately to his or her supervisor or **ETRO** administrator.
- Any applicant who has been banned by another sport organization, as temporarily or permanently ineligible, must self-disclose this information. A failure to disclose is a basis for disqualification for potential applicants.

FINDINGS

Notice of findings will be provided to:

- (1) The designated contact of **ETRO** that submitted the application

ORGANIZATION'S criminal background check report will return a "red light" or "green light" score. A green light score means that the background check vendor located no records that would disqualify the applicant. A green light score, however, is not a certification of safety or permission to bypass/ignore other screening efforts. Other disqualifying factors may exist, and can be revealed through an interview, reference checks and a completed application.

A **red light** finding means the criminal background check revealed criminal records, which suggest the applicant "does not meet the criteria" and is not suitable for organization employment or volunteer assignment.

Individuals who are subject to disqualification under a "red light" finding may challenge the accuracy of the reported information reported by the criminal background check vendor.

OPTION ONE: Appeal to Organization

APPEAL TO ORGANIZATION

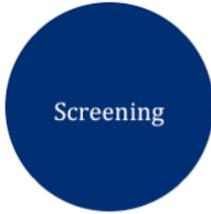

If an individual receives a red light finding and wants to contest the **ETRO** decision not to accept his or her application based on the red light finding, the individual may request a hearing before **ETRO** Board of Directors or **ETRO** Safety Committee.

The Review Panel (**ETRO** Board of Directors or Participant Safety Committee) will communicate its finding to the individual. The decision rendered by the Review Panel shall be final and binding on all parties.

OPTION TWO: Appeal to Criminal Background Check Vendor

APPEAL TO CRIMINAL BACKGROUND CHECK VENDOR

Any disqualified individual has the right to dispute the findings of the criminal background check directly with the **ETRO's** approved Criminal Background Check Vendor. A disqualified individual may not appeal the automatic disqualification or the results of the findings of the criminal background check vendor to the LOCAL/REGIONAL/NATIONAL CLUB. Each LOCAL/REGIONAL CLUB is required by the policy to accept the findings of the approved criminal background check vendor. Individuals automatically disqualified are excluded from participation in any **ETRO** sanctioned events and/or activities.

DISCRETION

If any discretion is exercised in the application of this policy, it shall be exercised in a uniform manner so that substantially similar convictions and circumstances result in substantially similar treatment of applicants.

FREQUENCY OF CRIMINAL BACKGROUND CHECKS

Criminal background checks will be refreshed every 5 years or as otherwise required by law, for staff members and/or volunteers who are 18 years of age or older and perform services for **ETRO**.

AFFIRMATIVE DUTY TO DISCLOSE

If, during the course of employment or participation in **ETRO's** programs, a staff member or volunteer is accused, arrested, indicted or convicted of a criminal offense against a child, it is the duty and responsibility of the staff member or volunteer to notify an immediate supervisor, a **ETRO** administrator or a member of the **ETRO** Participant Safety Committee.

OTHER POTENTIALLY DISQUALIFYING FACTORS

Even if an applicant passes a criminal background check, other factors may disqualify an applicant. An individual may be disqualified and prohibited from providing services for **ETRO** if the individual has:

- Been held liable for civil penalties or damages involving sexual or physical abuse of a minor
- Been subject to any court order involving any sexual or physical abuse of a minor, including but not limited to domestic order or protection
- A history with another organization (employment, volunteer, etc.) of complaints of sexual or physical abuse of minors
- Resigned, been terminated or been asked to resign from a position - paid or unpaid - due to complaint(s) of sexual or physical abuse of minors
- A history of other behavior that indicates they may be a danger to participants in CLUB
- Not met the job requirements

REVIEW OF DISQUALIFIERS

ETRO will review its disqualifiers every two years or as otherwise required or modified by law.

RECORDS

Records are secured onsite for a period indicated by applicable law or until the applicant is no longer affiliated with **ETRO**, whichever date is later.

3. ATHLETE PROTECTION POLICY - COMMITMENT TO SAFETY

Overview

In the event that any staff member or volunteer observes inappropriate behaviors (i.e., policy violations), suspected physical or sexual abuse, or misconduct, it is the personal responsibility of each staff member and volunteer to immediately report his or her observations to an immediate supervisor, an **ETRO** administrator or a member of **ETRO's** Board of Directors or Participant Safety Committee.

ETRO is committed to creating a safe and positive environment for athletes' physical, emotional and social development and to ensuring that it promotes an environment free of misconduct.

Staff members and volunteers should not attempt to evaluate the credibility or validity of child physical or sexual abuse allegations as a condition for reporting to appropriate law enforcement authorities. Instead, it is the responsibility of each staff member and volunteers to immediately report suspicions or allegations of child physical or sexual abuse to an immediate **ETRO** supervisor, **ETRO** administrator or a member of the **ETRO** Participant Safety Committee. Complaints and allegations will be addressed under ORGANIZATION'S Disciplinary Rules and Procedure.

ETRO recognizes that the process for training and motivating athletes will vary with each coach and athlete, but it is nevertheless important for everyone involved in sport to support the use of motivational and training methods that avoid misconduct.

Note concerning peer-to-peer child sexual abuse: Sexual contact between minors also can be abusive. Whether or not a sexual interaction between children constitutes child sexual abuse turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power and/or intellectual capabilities.

Accordingly, sexual interaction or intimacies between a coach and an athlete or other participant are prohibited, regardless of age, both during coaching and during that period following coaching if an imbalance in power could jeopardize effective decision-making.

3. ATHLETE PROTECTION POLICY - COMMITMENT TO SAFETY

WILLFULLY TOLERATING MISCONDUCT

It is a violation of this Athlete Protection Policy if a staff member and/or volunteer knows of misconduct, but takes no action to intervene on behalf of the athlete(s), participant(s), staff member, and/or volunteer.

REPORTING

Although these policies are designed to reduce child sexual abuse and other misconduct, it can still occur. Staff members, volunteers and participants of **ETRO** shall follow the reporting procedures set forth in the **ETRO** Safety Committee Reporting Policy.

ETRO does not investigate suspicions or allegations of child physical or sexual abuse, or attempt to evaluate the credibility or validity of such allegations, as a condition of reporting suspicions or allegations to the appropriate law enforcement authorities.

VIOLATIONS

Violations of the Athlete Protection Policy shall be reported pursuant to our Reporting Policy and will be addressed under our Disciplinary Rules and Procedure.

4. MANAGING TRAINING AND COMPETITION

SUPERVISION OF ATHLETES AND PARTICIPANTS

During training and competition, **ETRO** strives to create two-deep leadership and minimize one-to-one interactions to create a safe training environment and to protect athletes and participants.

APPROPRIATE ONE-ON-ONE INTERACTIONS

***Individual Meetings**

An individual meeting may be necessary to address an athlete's concerns, training program, or competition schedule. Under these circumstances, coaches, staff members and/or volunteers are to observe the following guidelines:

- Any individual meeting should occur when others are present and where interactions can be easily observed
- Where possible, an individual meeting should take place in a publicly visible and open area, such as the corner of a gym or Boathouse.
- If an individual meeting is to take place in an office, the door should remain unlocked and open
- If a closed-door/private meeting is necessary with a Youth participant, the coach, staff member and/or volunteer must have another coach/adult /Volunteer present at the meeting. Parents should be informed of the meeting.

***Individual Training Sessions**

An individual training session(s) with an athlete or participant may also be desired or necessary. Under these circumstances, written permission of a minor athlete's parents or guardians is required in advance of the individual training session(s), and **ETRO** encourages parents and guardians to attend the training session. A parent, additional athlete or additional Coach is required at these sessions.

PROHIBITED ONE-ON-ONE INTERACTIONS

Except as set forth above, minor athletes and participants will not be left unattended or unsupervised during **ETRO** activities and **ETRO** coaches, staff members and/or volunteers are prohibited from being alone with an individual athlete or participant in any room, building, car or bus.

4. MANAGING TRAINING AND COMPETITION

PHYSICAL CONTACT WITH ATHLETES

What

Policy describes the purpose and limits of appropriate physical contact between athletes and other relevant participants and identifies the person and/or entity to whom unacceptable forms of physical contact should be reported.

Why

In almost all sports, coaching an athlete requires some amount and type of physical contact. Such contact may be with parts of the body that, in a non-sport context, may be inappropriate (e.g., positioning an athlete's leg or torso, or spotting an athlete to ensure they will not be injured by a fall). Physical contact is also natural and appropriate when celebrating victories and achievement or consoling athletes after a loss or injury.

Physical contact policies provide all organization members with clarity and guidance for contact with athletes. These policies provide athletes with safer training conditions to perform and to receive the benefits of sport.

Elements

- Encourages appropriate physical contact with athletes
- Describes when it may be appropriate to make physical contact with athletes, including examples
- Lists criteria for appropriate/inappropriate physical contact
- Lists prohibited physical contact
- Lists reportable forms of prohibited physical contact with athletes
- States that some prohibited physical contact may require a report to the appropriate law enforcement authorities
- Identifies person and/or entity to whom unacceptable forms of physical contact should be reported
- States that all members will honor an expressed personal desire for decreased or no physical contact, where such decreased contact is feasible in the relevant training and competition environment

4. MANAGING TRAINING AND COMPETITION

PHYSICAL CONTACT WITH ATHLETES

Appropriate physical contact between athletes and coaches, staff members, contractors or volunteers is a productive and inevitable part of sport. Athletes are more likely to acquire advanced physical skills and enjoy their sport participation through appropriate physical contact. However, guidelines for appropriate physical contact reduce the potential for misconduct in sport.

APPROPRIATE PHYSICAL CONTACT

ETRO adheres to the following principles and guidelines in regards to physical contact with our athletes:

Common Criteria for Appropriate Physical Contact

Physical contact with athletes – for safety, consolation and celebration – has multiple criteria in common which make them both safe and appropriate. These include:

- i. The physical contact takes place in public
- ii. There is no potential for, or actual, physical or sexual intimacies during the physical contact
- iii. The physical contact is for the benefit of the athlete, not to meet an emotional or other need of an adult or volunteer.

Safety

The safety of our athletes is paramount and in many instances we make the athletic space safer through appropriate physical contact. Examples include:

- Spotting an athlete so that they will not be injured by a fall or piece of equipment
- Positioning an athlete's body so that they more quickly acquire an athletic skill, get a better sense of where their body is in space, or improve their balance and coordination
- Making athletes aware that they might be in harm's way because of other athletes practicing around them or because of equipment in use
- Releasing muscle cramps

Celebration

Sports are physical by definition and we recognize participants often express their joy of participation, competition, achievement and victory through physical acts. We encourage these public expressions of celebration, which include:

- Greeting gestures such as high-fives, fist bumps, and brief hugs
- Congratulatory gestures such as celebratory hugs, "jump-arounds" and pats on the back for any form of athletic or personal accomplishment

4. MANAGING TRAINING AND COMPETITION

PHYSICAL CONTACT WITH ATHLETES – (appropriate physical contact, cont.)

Consolation

It may be appropriate to console an emotionally distressed athlete (e.g., an athlete who has been injured or has just lost a competition). Appropriate consolation includes publicly:

- Embracing a crying athlete
- Putting an arm around an athlete while verbally engaging them in an effort to calm them down (“side hugs”)
- Lifting a fallen athlete off the playing surface and “dusting them off” to encourage them to continue competition

PROHIBITED PHYSICAL CONTACT

Prohibited forms of physical contact, which shall be reported immediately under our Reporting Policy include, without limitation:

- Asking or having an athlete sit in the lap of a coach, administrator, staff member or volunteer
- Lingering or repeated embraces of athletes that go beyond the criteria set forth for acceptable physical contact
- Slapping, hitting, punching, kicking or any other physical contact meant to discipline, punish or achieve compliance from an athlete
- “Cuddling” or maintaining prolonged physical contact during any aspect of training, travel or overnight stay
- Playful, yet inappropriate contact that is not a part of regular training, (e.g., tickling or “horseplay” wrestling)
- Continued physical contact that makes an athlete obviously uncomfortable, whether expressed or not
- Any contact that is contrary to a previously expressed personal desire for decreased or no physical contact, where such decreased contact is feasible in a competitive training environment.

VIOLATIONS

Violations of this policy must be reported to a **ETRO** supervisor, administrator, or member of the **ETRO** Safety Committee and violations will be addressed under our Disciplinary Rules and Procedure. Some forms of physical contact may constitute child physical or sexual abuse that **must be reported to appropriate law enforcement authorities.**

ELECTRONIC COMMUNICATIONS AND SOCIAL MEDIA POLICY

What

Policy describes acceptable uses of mobile and electronic devices and social media and emphasizes transparent communication; separate from and in addition to any general policies an organization may already have in place.

Why

Effective communication concerning travel, training schedules and administrative issues among administrators, staff, coaches, athletes and their families is critical. However, the use of mobile devices, web-based applications, social media and other forms of electronic communications increases the possibility for improprieties and misunderstandings, and also provides would-be offenders with unsupervised access to an athlete. The improper use of mobile and electronic communications can result in misconduct and adherence to a policy for mobile and electronic communication reduces these risks.

Elements

- States appropriate criteria for mobile and electronic communications between athletes and administrators, coaches, staff and/or volunteers
- States appropriate criteria for use of social media between athletes and administrators, coach, staff, and/or volunteers

ELECTRONIC COMMUNICATIONS AND SOCIAL MEDIA POLICY

As part of **ETRO** emphasis on athlete safety, all electronic communications between a coach and athlete must be professional in nature and for the purpose of communicating information about team activities.

As with any communication, the content of any electronic communication should be readily available to share with the athlete's family. At the request of a parent or guardian, any email, electronic text, social media or similar communication will copy or include the athlete's parents or guardians.

4. MANAGING TRAINING AND COMPETITION

ELECTRONIC COMMUNICATIONS AND SOCIAL MEDIA POLICY – (cont.)

FACEBOOK, MYSPACE, BLOGS AND SIMILAR SITES

Coaches may not have athletes of **ETRO** join a *personal* social media page. Athlete members and parents can friend the official **ETRO** Team page and Coaches can communicate to athlete members through the site. All posts, messages, text, or media of any kind between coach and athlete must be professional in nature and for the purpose of communicating information about team activities or for team-oriented motivational purposes.

TWITTER, INSTANT MESSAGING AND SIMILAR MEDIA

Coaches and athletes may “follow” each other. Coaches cannot “re-tweet” athlete message posts. All posts between coach and athlete must be for the purpose of communicating information about team activities.

EMAIL AND SIMILAR ELECTRONIC COMMUNICATIONS

Athletes and Coaches may use email to communicate. All email content between coach and athlete must be professional in nature and for the purpose of communicating information about team activities. Where the Coach is a staff member and/or volunteer, email from a coach to any athlete should come from the **ETRO** website email center.

*(The coach’s return email address will contain “@igetrowing.com”).

TEXTING AND SIMILAR ELECTRONIC COMMUNICATIONS

Texting is allowed between Coaches and Athletes. All texts between Coach and Athlete must be professional and for the purpose of communicating information about team activities.

ELECTRONIC IMAGERY

From time to time, digital photos, videos of practice or competition, and other publicly obtainable images of the athlete – individually or in groups – may be taken. These photos and/or videos may be submitted to local, state or national publications, used in **ETRO** videos, posted on **ETRO** or **ETRO** associated websites, or offered to the club families seasonally on disc or other electronic form. It is the default policy of **ETRO** to allow such practices as long as the athlete or athletes are in public view and such imagery is both appropriate and in the best interest of the athlete and the club. Imagery must not be contrary to any rules as outlined in **ETRO** Participant Handbook.

4. MANAGING TRAINING AND COMPETITION

ELECTRONIC COMMUNICATIONS AND SOCIAL MEDIA POLICY – (cont.)

REQUEST TO DISCONTINUE ALL ELECTRONIC COMMUNICATIONS OR IMAGERY

The parents or guardians of an athlete may request, in writing, that their child not be contacted through any form of electronic communication by Coaches (email, photography or videography).

MISCONDUCT

Social media and electronic communications can also be used to commit misconduct (e.g., emotional, sexual, bullying, harassment, and hazing). Such communications by Coaches, Staff, Volunteers, Administrators, Officials, Parents or Athletes will not be tolerated and are considered violations of our Participant Handbook.

VIOLATIONS

Violations of **ETRO's** Electronic Communications and Social Media Policy should be reported to your immediate supervisor, an **ETRO** administrator or a member of **ETRO's** Participant Safety Committee for evaluation. Complaints and allegations will be addressed under **ETRO's** Disciplinary Rules and Procedure.

LOCKER ROOMS AND CHANGING AREAS- *if used*

What

Policy describes how locker rooms and changing areas are structured (e.g., limited to athletes or open to the general public) and states limits on the use of electronic media devices in such areas.

Why

Athletes (especially minors) are particularly vulnerable in locker rooms and changing areas due to various stages of dress/undress and because athletes are less supervised than at many other times. Athlete-to-athlete problems, such as child sexual abuse and bullying, harassment, and hazing, often occur when coaches or staff members are not monitoring athletes. This is especially true in locker rooms. Adherence to a locker room and changing areas policy enhances privacy and reduces the likelihood of misconduct.

Elements

- Describes appropriate physical facilities for training and home competition
- Describes locker room and changing area-monitoring procedures
- Identifies accepted uses of cell phone or other mobile devices in locker rooms or changing areas
- Identifies any prohibited conduct in the locker room or changing areas (may refer to any activities that violate the Athlete Protection Policy)

4. MANAGING TRAINING AND COMPETITION

LOCKER ROOMS AND CHANGING AREAS

The following guidelines are designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms and changing areas.

FACILITIES

The following is a description of our practice and competition facilities to allow athletes and their families to plan their use:

We practice at:

Smoky Mountain Rowing Center, LLC. Boathouse
3452 Louisville Road
Louisville, TN 37777

This location has:

- (a) No locker room or changing facilities. Athletes will be expected to come dressed for practice and to change and shower at home.

Our home competitions will be held at:

Smoky Mountain Rowing Center, LLC. Boathouse
3452 Louisville Road
Louisville, TN 37777

This location has:

- (a) No locker room or changing facilities. Athletes will be expected to come dressed for practice and to change and shower at home.

When we travel for competition the facilities may differ from location to location. We will work with the host team to provide as much information about the locker room and changing areas as early as possible, and post that information as soon as it's available.

4. MANAGING TRAINING AND COMPETITION

LOCKER ROOMS AND CHANGING AREAS

MONITORING

ETRO has predictable and limited use of locker rooms and changing areas (e.g., immediately before and following practices and competitions). This allows for direct and regular monitoring of locker room areas. While constant monitoring inside of locker rooms and changing areas might be the most effective way to prevent problems, we understand that this would likely make athletes uncomfortable and may even place our staff at risk for unwarranted suspicion.

We conduct a sweep of the locker rooms and changing areas before athletes arrive, post staff members directly outside of the locker rooms and changing areas during periods of use, and leave the doors open only when adequate privacy is still possible. Staff members conduct regular sweeps inside these areas as well, with women checking on female-designated areas, and men checking on male-designated areas.

Coaches and staff make every effort to recognize when an athlete goes to the locker room or changing area during practice and competition and, if they do not return in a timely fashion, we will check on the athlete's whereabouts.

We discourage parents from entering locker rooms and changing areas unless it is truly necessary. In those instances, it should only be a same-sex parent. If this is necessary, parents should let the Coach or Administrator know about this in advance.

If an athlete needs assistance with his or her uniform or gear (for example, a child under the age of eight), or an athlete's disability warrants assistance, then we ask that parents let the Coach or an Administrator know beforehand that he or she will be helping the athlete.

MIXED-GENDER TEAMS

If the team consists of both male and female athlete, both female and male privacy rights must be given consideration and appropriate arrangements made.

USE OF CELL PHONES AND OTHER MOBILE RECORDING DEVICES

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras increase the risk for different forms of misconduct in locker rooms and changing areas. As a result, **THERE WILL BE NO USE OF A DEVICE'S RECORDING CAPABILITIES IN ANY LOCKER ROOMS OR CHANGING AREAS.**

**Violations of this policy will be addressed under the Disciplinary Rules and Procedure and may result in the sanctions as set forth therein, including temporary suspension from competition.*

4. MANAGING TRAINING AND COMPETITION

TRAVEL

What

A travel policy directs how minor athletes will be supervised during travel to and from practice and competitions and, where practical for the sport, provides two-deep leadership and minimizes one-to-one interactions. For those sports where an individual competes on an individual basis, two-deep leadership may not always be practical.

Why

Athletes are most vulnerable to misconduct during travel, particularly overnight stays. This includes a high risk of athlete-to-athlete misconduct. During travel, athletes are often away from their families and support networks, and the setting – new changing areas, locker rooms, workout facilities, automobiles and hotel rooms – is less structured and less familiar.

Travel policies guide travel practices for training and competition. Adherence to travel policies helps to reduce the opportunities for misconduct.

Elements

- Identifies the responsibilities of Coaches, Staff, Chaperones, Parents and Athletes for local and team travel
- Identifies methods to minimize one-on-one time during individual travel
- Sets standards for:
 - Mixed-gender travel
 - Mixed-age travel
 - Local travel (travel that the organization does not plan or supervise)
 - Team travel (travel the organizations plans and supervises, including overnight travel)
 - Individual travel (travel where an individual athlete, or a small group of athletes, travels together)
- Describes notification process for team travel
- For travel that an organization does not supervise or plan, states that
 - Staff member and/or volunteer should not drive alone with unrelated athlete; and
 - The organization is not responsible for designating travel arrangements

4. MANAGING TRAINING AND COMPETITION

TRAVEL

Travel will be a standard aspect of our competitive season and **ETRO** has established policies to guide our travel minimize one-on-one interactions and reduce the risk of misconduct. Adherence to these travel guidelines will increase athlete safety and improve the competitive experience while keeping travel a fun and enjoyable experience.

LOCAL AND TEAM TRAVEL

We distinguish between travel to training, practice and local competition (“local travel”), and team travel involving a coordinated overnight stay (“team travel”).

Local Travel

Local travel occurs when **ETRO** does not sponsor, coordinate, or arrange for travel. For local travel, athletes or their parents/guardians (for minor athletes) are responsible for making all travel arrangements. In these instances it is the responsibility of the athlete or their parents/guardians (for minor athletes) to ensure the person transporting the athlete maintains all safety and legal requirements, including, but not limited to, a valid driver’s license, proper insurance, well maintained vehicle, and compliance with all state laws.

In an effort to minimize one-on-one interactions, **ETRO** Staff members, Coaches and/or Volunteers, who are not also acting as a parent, should not drive alone with an unrelated athlete and should only drive with at least two other athletes or another adult at all times, unless otherwise agreed to in writing by the athlete’s parent or guardian in advance of travel. In any case where a staff member and/or volunteer is involved in the athlete’s local travel, a parental release is required in advance. Efforts must be made to ensure that staff and/or volunteers are not alone with an athlete or participant, by, e.g., picking the athletes up in groups.

Coaches, Staff members and Volunteers who are also an athlete’s guardian may provide shared transportation for any athlete(s). We encourage guardians to pick up their athlete first and drop off their athlete last in any shared or carpool travel arrangement. We also recommend completing a shared travel declaration form signed by the parents/guardians of any minor athlete who is being transported as part of such a carpool arrangement.

4. MANAGING TRAINING AND COMPETITION

TRAVEL – (cont.)

Team Travel

Team travel is overnight travel that occurs when **ETRO** sponsors, coordinates or arranges for travel so that our teams can compete locally, regionally, nationally or internationally. Because of the greater distances, coaches, staff, volunteers and chaperones will often travel with the athletes. However, no coach, staff member, or volunteer will engage in team travel without the proper safety requirements in place, including valid drivers' licenses, proper insurance, well-maintained vehicles and compliance with all state laws.

ETRO makes efforts to provide adequate supervision through coaches and other adult chaperones. Appropriate adult-to-athlete ratios will depend on the age of the athletes and other participants. Evaluation of the specific program will determine our supervisory needs.

For team travel, hotels and air travel will be booked in advance by **ETRO**. Athletes will share rooms, with 2-4 athletes assigned per room depending on accommodations. **ETRO** will also notify hotel management should any special arrangements be warranted. For instance, we will ask hotels to block pay per view channels and we will request an additional large room or suite so that our members and athletes may socialize as a group. Meetings will not occur in hotel rooms, and we will make efforts to reserve a separate space for adults and athletes to socialize.

We encourage family members who wish to stay in the team hotel to do so. If family members do not stay in the team hotel, we encourage all athletes to call parents and guardians regularly and allow for any unscheduled calls by either the athlete or parent/guardian.

INDIVIDUAL TRAVEL -events involving individual competition and travel

The nature of our sport and competition structure means that individual athletes may need to travel overnight without other athletes. Under these circumstances, one-on-one time between a coach and athlete shall be eliminated by:

1. Traveling with an additional coach or chaperone
2. Requiring parents/guardians to travel with their athlete
3. When only one Athlete and a Coach plus chaperone travel to a competition, *the athlete must have his or her parents' or legal guardian's written permission in advance to travel.*

4. MANAGING TRAINING AND COMPETITION

TRAVEL – Team Travel (cont.)

TRAVEL NOTIFICATION

When possible, **ETRO** will provide reasonable advance notice before team travel. Notice will include the dates, location and duration of competition. Travel notice will also include designated team hotels for overnight stays as well as a contact person within **ETRO**. This individual will be the point of contact to confirm your intention to travel and to help with travel details.

ETRO will post specific travel itineraries when they become available. These will include a more detailed, hour-by-hour itinerary as well as contact information for team travel Chaperones.

MIXED-GENDER AND MIXED-AGE TRAVEL

ETRO is made up of male and female athletes across various ages. Athletes will only share a room with other athletes of the same sex and age group. Athletes will also be grouped by age and sex for the purposes of assigning an appropriate chaperone. We will make every effort to provide these groups at least one chaperone of the same sex. However, we rely on Parents to serve as Chaperones and may be limited in providing this match.

Regardless of gender, a Coach shall not share a hotel room or other sleeping arrangement with an Athlete (unless the coach is the parent, guardian, sibling or spouse of that particular athlete). Where an adult is registered both as a Coach and an Athlete member of **ETRO**, and is functioning primarily as a Coach, he or she may share sleeping arrangements with another registered Coach.

COACH AND STAFF RESPONSIBILITIES

During team travel, Lead Coaches and Staff will help Athletes, fellow Coaches and Staff members adhere to policy guidelines, including, without limitation, the Travel Policy, Locker Rooms and Changing Areas Policy and Reporting Policy.

4. MANAGING TRAINING AND COMPETITION

TRAVEL – Team Travel (cont.)

COACH AND STAFF RESPONSIBILITIES

If a Coach or Staff member transports an athlete or other organization member in their private car for team travel, a copy of the Coach's or Staff member's valid driver's license is required to be on file with the **ETRO**.

When not practicing, training, competing, or preparing for competition, Coaches and staff will monitor the activities of athletes, fellow coaches and staff during team travel. Coaches and Staff will:

- a. Prepare athletes for team travel and make athletes aware of all expectations. Supplemental information will be given to parents/guardians of athletes who are considered inexperienced travelers, new or relatively new to team travel, or who are under the age of 14
- b. Familiarize themselves with all travel itineraries and schedules before the initiation of team travel
- c. Conform to, and monitor for others' adherence, the Athlete Protection Policy and all policies during team travel
- d. Encourage minor athletes to participate in regular, at least daily, scheduled communications with their parents/guardians
- e. Help athletes be on time for all team commitments (as possible)
- f. Assist with team travel logistical needs (as possible)
- g. Support chaperones and/or participate in the monitoring of athletes for adherence to curfew restrictions set based on age and competition schedule as listed in travel itinerary
- h. Ensure athletes are complying with hotel room restrictions based on gender or age bracket requirements
- i. Make certain that athletes are not alone in a hotel room with any adult apart from a family member; this includes coaches, staff and chaperones
- j. Not use drugs or alcohol in the presence of minors or be under the influence of alcohol or drugs while performing their coaching duties
- k. Immediately report any concerns about physical or sexual abuse, misconduct, or policy violations
- l. Notify parents before taking any disciplinary action against a minor athlete if the athlete is traveling without his or her parents.

4. MANAGING TRAINING AND COMPETITION

TRAVEL – Team Travel (cont.)

CHAPERONE RESPONSIBILITIES

Chaperones accompany team travel to ensure that the Athletes, Coaches, Staff, and Volunteers adhere to the **ETRO's** policy guidelines. While these include the travel policy, it also includes all other relevant policies contained in **ETRO's** Participant Handbook.

An **ETRO** Chaperone must have participated in an ETRO SafeSport training program and based upon the Chaperones level of Youth interaction, may have to undergo a criminal background check.

If a Chaperone will be operating a private car for team travel, a copy of the Chaperone's valid driver's license is required.

Chaperones will monitor the activities of all Coaches, Staff members, Volunteers and Athletes during team travel. Specifically, Chaperones will:

- a. Familiarize themselves with all travel itineraries and schedules before team travel
- b. Monitor for adherences to club policies during team travel
- c. Encourage minor athletes to participate in regular, at least daily, scheduled communications with their parents/guardians
- d. Help athletes be on time for all team commitments (as possible)
- e. Assist coaches, staff and other volunteers with team travel logistical needs (as possible)
- f. Monitor athletes for adherence to curfew restrictions set based on age and competition schedule as listed in travel itinerary
- g. Ensure athletes comply with hotel room restrictions based on gender or age bracket requirements
- h. Not use drugs or alcohol in the presence of minors or be under the influence of alcohol or drugs while performing their chaperone duties
- i. Make certain that athletes are not alone in a hotel room with any adult apart from a family member; this includes coaches, staff and chaperones
- j. Immediately report any concerns about sexual and physical abuse, misconduct or policy violations to an **ETRO** administrator or a member of **ETRO's** Participant Safety Committee.

5. RESPONDING TO ABUSE, MISCONDUCT AND POLICY VIOLATIONS

What

A response plan and reporting policy addresses allegations of misconduct falling within an organization's athlete protection or other relevant policy. It states the organization's commitment to providing safe training environments, reporting potential misconduct to the appropriate organizational channels and relevant agencies, as applicable, and resolving allegations in a prompt and fair manner.

Why

The lack of or absence of guidance on when and how to report suspected misconduct is a significant barrier to disclosing misconduct, including child physical and sexual abuse. Without training in this area, sport stakeholders may feel ill prepared, powerless and lost when it comes to responding to and reporting misconduct. Other stakeholders must also be able to recognize misconduct and to know how to respond.

It is also critical that staff members and/or volunteers understand that they should not attempt to evaluate the credibility or validity of child physical or sexual abuse allegations as a condition for reporting to the sport organization or to appropriate law enforcement authorities.

A reporting policy clarifies to all participants, staff, volunteers, responsible parties and members of the public that the organization understands its duty and responsibility to create a safe and positive environment for athletes. This statement also further reinforces the organization's commitment to athlete safety.

Elements

- Describes reporting procedures
- Identifies to whom stakeholders should report
- Establishes a direct-line and back-up reporting system
- Provides complainant protection,
 - Where reasonable or legally possible and prohibits retaliation
- Prohibits malicious, frivolous or bad-faith allegations

5. RESPONDING TO ABUSE, MISCONDUCT AND POLICY VIOLATIONS

REPORTING POLICY

Every **ETRO** Coach, Staff member and/or Volunteer must report:

1. Violations of the Participant Handbook
2. Misconduct as defined in **ETRO's** Athlete Protection Policy, and
3. Suspicions or allegations of child physical or sexual abuse.

As a matter of policy, ETRO does not investigate suspicions or allegations of child physical or sexual abuse or attempt to evaluate the credibility or validity of such allegations as a condition for reporting to the appropriate law enforcement authorities.

Reporting Child Physical or Sexual Abuse

Child Physical or Sexual Abuse

Coaches, Staff members and/or Volunteers at **ETRO** are required to report suspicions or allegations of child sexual abuse by a colleague or co-worker, to:

1. Their immediate supervisor
2. A **ETRO** administrator
3. A member of **ETRO's** Safety Committee and
4. Where applicable, **appropriate law enforcement authorities.**

Grooming

Because sexual abusers “groom” children for abuse – the process used by offenders to select a child, to win the child’s trust (and the trust of the child’s parent or guardian), to manipulate the child into sexual activity and to keep the child from disclosing abuse – it is possible that a staff member and/or volunteer may witness behavior intended to groom a child for sexual abuse. All questions or concerns related to inappropriate, suspicious or suspected grooming behavior should be directed to an immediate **ETRO** supervisor, a **ETRO** administrator or a member of the **ETRO** Safety Committee.

5. RESPONDING TO ABUSE, MISCONDUCT AND POLICY VIOLATIONS

Peer-to-Peer Sexual Abuse

Approximately 1/3 of all child sexual abuse occurs at the hands of other children and the obligation to report extends to peer-to-peer child sexual abuse. Whether or not a sexual interaction between children constitutes child sexual abuse turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power or intellectual capabilities. **If you have any concerns that an interaction between children may constitute sexual abuse, report it to the appropriate law enforcement authorities and an ETRO supervisor, an ETRO administrator or a member of ETRO's Safety Committee immediately.**

Reporting Misconduct and Policy Violations

If any Coach, Staff member and/or Volunteer receives an allegation or observes misconduct or other inappropriate behavior, such as grooming, that is not reportable to the appropriate law enforcement authorities, it is the responsibility of each staff member and/or volunteer to report their observations to:

1. Their immediate **ETRO** supervisor,
2. A **ETRO** administrator or
3. A member of **ETRO's** Safety Committee.

ETRO also encourages member Parents, Athletes and other sport participants to communicate violations of **ETRO's** Participant Handbook and/or allegations and suspicions of child physical and sexual abuse to a **ETRO** administrator or member of **ETRO's** Safety Committee. Where applicable, Parents may also report to the appropriate law enforcement authorities.

REPORTING PROCEDURE

To Whom to Report

Staff members and volunteers may report to any **ETRO** supervisor or **ETRO** administrator with whom they are comfortable sharing their concerns. You may also report to any member of the **ETRO** Safety Committee, which includes the following three designated Incident Review Officials (IROs):

- **NAME/TITLE/CONTACT INFORMATION**
- **NAME/TITLE/CONTACT INFORMATION**
- **NAME/TITLE/CONTACT INFORMATION**

A Coach, Staff member, Parent and/or Volunteer may, and in many cases must, report any allegation of child physical or sexual abuse to relevant law enforcement authorities.

5. RESPONDING TO ABUSE, MISCONDUCT AND POLICY VIOLATIONS

REPORTING PROCEDURE-(cont.)

How to Report

ETRO will take a report in the way that is most comfortable for the person initiating a report including an anonymous, in-person, verbal or written report. Regardless of how you choose to report, it is helpful to **ETRO** for individuals to provide, at a minimum, (1) the name of the complainant(s); (2) the type of misconduct alleged and the name(s) of the individual(s) alleged to have committed the misconduct.

Reporting Form

Individuals reporting child physical or sexual abuse or other misconduct may complete an **Incident Report Form**. Information on this form will include:

1. The name(s) of the complainant(s)
2. The type of misconduct alleged
3. The name(s) of the individual(s) alleged to have committed the misconduct
4. The approximate dates the misconduct was committed
5. The names of other individuals who might have information regarding the alleged misconduct
6. A summary statement of the reasons to believe that misconduct has occurred

ETRO will withhold the complainant's name on request, to the extent permitted by law.

- A copy of **ETRO's** Reporting Form can be found at:
www.igetrowing.com on the Safety Tab

CONFIDENTIALITY, ANONYMOUS REPORTING AND BAD-FAITH ALLEGATIONS

Confidentiality

To the extent permitted by law, and as appropriate, **ETRO** will keep confidential the complainant's name on request, not make public the names of potential victims, the accused perpetrator or the people who made a report of child physical and sexual abuse to the authorities.

5. RESPONDING TO ABUSE, MISCONDUCT AND POLICY VIOLATIONS

REPORTING PROCEDURE-Confidentiality, anonymous reporting and bad-faith allegations

Anonymous Reporting

ETRO recognizes it can be difficult for an Athlete, teammate, friend or family member to report an allegation of misconduct and strives to remove as many barriers to reporting as possible. **Anonymous reports may be made without the formality of completing an Incident Report Form:**

- By completing the Reporting Form without including their name
- By expressing concerns verbally to a **ETRO** administrator or a member of **ETRO**'s Safety Committee
- Through email, texts or notes left for a **ETRO** administrator or a member of **ETRO**'s Safety Committee.

However, anonymous reporting may make it difficult for **ETRO to investigate or properly address allegations.**

All suspicions of child physical or sexual abuse will be reported to the appropriate law enforcement authorities.

“Whistleblower” Protection

Regardless of outcome, **ETRO** will support the complainant(s) and his or her right to express concerns in good faith. **ETRO** will not encourage, allow or tolerate attempts from any individual to retaliate, punish, allow or in any way harm any individual(s) who reports a concern in good faith. Such actions against a complainant will be considered a violation of our Participant Handbook and grounds for disciplinary action.

Bad-Faith Allegations

A report of abuse, misconduct or policy violations that is malicious, frivolous or made in bad faith is prohibited. Such reports will be considered a violation of our Participant Handbook and grounds for disciplinary action. Depending on the nature of the allegation, a person making a malicious, frivolous or bad-faith report may also be subject to civil or criminal proceedings.

5. RESPONDING TO ABUSE, MISCONDUCT AND POLICY VIOLATIONS

REPORTING PROCEDURE

HOW REPORTS ARE HANDLED

Suspicious or Allegations of Child Physical or Sexual Abuse

Reporting to Law Enforcement and/or Child Protective Services

An independent investigation can harm youth and/or interfere with the legal investigative process. **ETRO**, its staff members and/or volunteers **do not attempt to evaluate the credibility or validity of child physical or sexual abuse as a condition for reporting to appropriate law enforcement authorities**. As necessary, however, **ETRO** may ask a few clarifying questions of the minor or person making the report to adequately report the suspicion or allegation to law enforcement authorities.

For mandatory reporting laws, visit www.childwelfare.gov

Immediate Suspension or Termination

When an allegation of child physical or sexual abuse is made against a Coach, Staff member, Athlete, Youth and/or Volunteer, **ETRO** may immediately remove that individual from contact with any children in the program until the allegation has been investigated by an official agency. As necessary, **ETRO** may suspend or change the assignment of a Coach, Staff member and/or Volunteer or suspend the Athlete. In those cases where the Ted Stevens Act may apply, the accused individual will be offered a hearing. A hearing under the *Ted Stevens Act* will not necessarily affect **ETRO**'s ability to immediately suspend or terminate the accused individual from employment or performing services for organization.

Ted Stevens Act:

The USOC, a federally chartered corporation created by Congress, and the national governing body ("NGB") for each Olympic sport must comply with the Ted Stevens Olympic and Amateur Sports Act ("Amateur Sports Act"),⁴ which establishes a legal framework for protecting the participation opportunities of Olympic sport athletes. The Amateur Sports Act requires that an Athletes' Advisory Council be established to represent their interests and to ensure open communication with the USOC.⁵ It also requires the USOC to ensure that athletes have at least 20% of the membership and voting power held by its Board of Directors⁶ and committees⁷ as well as each NGB.⁸ The Athletes' Advisory Council, whose members are elected by Olympic athletes, maintains an open line of communication with the USOC and provides input on their behalf.

A Coach, Staff member or Volunteer's failure to report to a **ETRO** supervisor, a **ETRO** administrator or member of the Safety Committee is a violation of this policy and grounds for termination or dismissal, suspension.

5. RESPONDING TO ABUSE, MISCONDUCT AND POLICY VIOLATIONS

REPORTING PROCEDURE

HOW REPORTS ARE HANDLED

Misconduct and Policy Violations

ETRO addresses internally alleged policy violations and misconduct – bullying, harassment, hazing, emotional, physical and sexual – that are not reportable under relevant state or federal law. Coaches, Staff members and/or Volunteer must report policy violations and misconduct to an immediate **ETRO** supervisor, **ETRO** administrator or member of **ETRO**'s Safety Committee.

ETRO may also investigate allegations of child physical or sexual abuse that are reportable, if such investigation does not interfere with any ongoing criminal investigation or prosecution for abuse. Such allegations may include:

- Emotional abuse
- Abuse reported outside the relevant statutes of limitation
- Allegations of abuse that were reported to authorities, but: (a) legal authorities did not press criminal charges; (b) criminal charges were filed, but not pursued to trial; or (c) the alleged offender was acquitted at trial

NOTIFICATION

Following **ETRO**'s notice of a credible allegation that results in the removal of a Coach, Staff member, Athlete and/or Volunteer. **ETRO** may, at this time, consider the circumstances in which it will notify other parents of athletes with whom the accused individual may have had contact. In **ETRO**'s discretion, as appropriate, and after consultation with legal counsel, **ETRO** may notify its Coaches, Staff members, Volunteers, Parents, and/or Athletes of any allegation of child physical or sexual abuse or other criminal behavior that (1) law enforcement authorities are actively investigating; or (2) that **ETRO** is investigating internally. Advising others of an allegation may lead to additional reports of child physical or sexual abuse and other misconduct.

5. RESPONDING TO ABUSE, MISCONDUCT AND POLICY VIOLATIONS

DISCIPLINARY RULES AND PROCEDURE

What

Establishes an organization's plan for responding to alleged violations of child physical or sexual abuse and other misconduct and sets forth the organization's commitment to a fair and transparent process.

Why

Prepares an organization and its participants to know, in advance of a report, how it will handle alleged violations of its Participant Safety Handbook.

Elements

- Describes procedure for investigating allegations, where appropriate
- Sets forth procedures for resolving allegations
- Identifies procedural safeguards
- Identifies possible sanctions for violations of the athlete protection policy

DISCIPLINARY RULES AND PROCEDURE

While **ETRO** endeavors to provide support and guidance to participants on a day-to-day basis, it is also important for **ETRO** to have a formal procedure for disciplinary action to address alleged violations of its policies and other inappropriate behaviors, which is consistent with **ETRO's** Bylaws and Constitution.

APPLICATION

This Policy is used to address the following allegations against staff members, athletes, participants and/or volunteers:

- Violations of **ETRO** policies; and/or
- Child abuse (emotional, physical or sexual) that does not involve an ongoing legal investigation or criminal prosecution.

***ETRO will not investigate an allegation of child physical or sexual abuse if it undermines or interferes with a pending legal investigation or criminal prosecution.**

DISCIPLINARY RULES

ETRO recognizes that there are varying levels of misconduct. For example, physical and sexual misconduct are serious violations that may result in immediate dismissal. In contrast, a youth participant who tells a single sexually risqué joke constitutes less serious misconduct and depending on the circumstances, might be dealt with more appropriately through dialogue and a verbal warning. In all cases, **ETRO's** disciplinary procedures and actions will be proportionate, reasonable and applied fairly and equally.

5. RESPONDING TO ABUSE, MISCONDUCT AND POLICY VIOLATIONS

DISCIPLINARY RULES AND PROCEDURE-(cont.)

DISCIPLINARY PROCEDURE

On receipt of an allegation, **ETRO** will determine in its discretion the appropriate steps to address the conduct based on several factors, including (i) the age of the complainant or victim, (ii) the age of the accused and (iii) the nature, scope, and extent of the allegations.

ETRO will address allegations against a Coach, Staff member, Athlete or Volunteer under its Employment Policies and Procedures, Bylaws and Constitution.

ETRO's disciplinary response will depend on the nature and seriousness of the incident and in extreme cases, misconduct will result in immediate summary dismissal, provided that the accused individual shall be advised of their right to a hearing. If the accused individual is a minor, **ETRO** will contact his or her parents or guardians.

DISCIPLINARY ACTION

Sanctions for violations of the Participant Handbook will be proportionate and reasonable under the circumstances. In addition to day-to-day guidance, the **ETRO** may take the following disciplinary actions, without limitation:

- Inform the individual's direct-line supervisor or, in the case of a youth participant, the youth's parent or guardian
- Provide the individual with guidance, redirection and instruction
- Temporary suspension from competition
- File a formal incident report
- Issue a verbal warning
- Issue a written and/or final written warning

DISCIPLINARY RULES AND PROCEDURE-(cont.)

ONGOING EMPLOYMENT AND/OR PARTICIPATION

On receipt of a credible and specific allegation of child abuse or other serious misconduct (e.g., physical and sexual abuse as defined in our Athlete Protection Policy), **ETRO** may immediately suspend or terminate the accused individual to ensure participant safety.

COMPLAINANT PROTECTION

Regardless of outcome, **ETRO** will support the complainant(s) and his or her right to express concerns in good faith. **ETRO** will not encourage or tolerate attempts to retaliate, punish or in any way harm any individual(s) who report(s) a concern in good faith. Such actions will be grounds for disciplinary action.

BAD-FAITH ALLEGATIONS

Any individual who alleges misconduct under the Participant Handbook that, upon review, is determined to be malicious, frivolous or made in bad faith will be a violation of our Participant Handbook. Bad-faith allegations may also be subject to criminal or civil proceedings.

INVESTIGATION AND ADJUDICATION—*for* RESOLVING ALLEGATIONS UNDER THE TED STEVENS ACT

ETRO utilizes this Investigation and Adjudication procedure to resolve those allegations that are governed by the Ted Stevens Act. A hearing under the Ted Stevens Act will not necessarily affect **ETRO'S** ability to immediately suspend or terminate an accused individual.

On receipt of:

1. An allegation of misconduct, as defined in **ETRO'S** Athlete Protection Policy, that does not involve child physical or sexual abuse
2. An adverse employment determination by a local club for emotional, physical or sexual misconduct as set forth in **ETRO'S** Athlete Protection Policy

5. RESPONDING TO ABUSE, MISCONDUCT AND POLICY VIOLATIONS

DISCIPLINARY RULES AND PROCEDURE-(cont.)

INVESTIGATION AND ADJUDICATION

**for* RESOLVING ALLEGATIONS UNDER THE TED STEVENS ACT

ETRO shall determine the appropriate steps to address the conduct based on several factors, including (i) the age of the complainant or victim, (ii) the age of the accused and (iii) the nature, scope and extent of the allegations. Such steps may include, without limitation:

- The collection of additional information from the individual in question, other individuals with potential knowledge or evidence of the incident or the accused individual
- Formal investigation and hearing
- Retention of legal counsel or investigation services to investigate and/or make a recommendation as to whether a violation of the relevant policy has occurred and/or a recommendation as to the appropriate sanction

Where serious allegations of misconduct are at issue (e.g., physical and sexual misconduct as defined in our Athlete Protection Policy), **ETRO** may elect in its discretion to undertake a full investigation and hearing before determining the appropriate disciplinary action. **This investigation and/or hearing will in no way interfere with an ongoing criminal investigation or prosecution.**

SUSPENSION BEFORE FINAL RESOLUTION

If **ETRO** determines that an individual's continued employment or participation poses a risk of ongoing physical or emotional harm, **ETRO** may wish to suspend the accused individual pending final resolution of the complaint to eliminate any danger to an Athlete, Sport Participant or other individual. In such instances, **ETRO** will provide the accused individual with notice and offer her/him an opportunity to contest the suspension.

ETRO may suspend the accused individual where there is a reasonable belief that the individual has committed emotional, physical or sexual misconduct. Evidence found sufficient to support a reasonable belief includes, at a minimum:

- The suspension or termination of employment or membership by one of organization's regional or nationals clubs
- An Incident Report Form with specific and credible information
- Other legal documentation or report supporting a reasonable belief that the individual has committed emotional, physical or sexual misconduct, including abuse of a child (e.g., a criminal indictment).

INVESTIGATION AND ADJUDICATION

**for RESOLVING ALLEGATIONS UNDER THE TED STEVENS ACT*

SUSPENSION BEFORE FINAL RESOLUTION

For the purposes of this Policy, a suspension from sport involvement shall mean that for the duration of the period of suspension, the accused individual may not participate in any capacity or role in the business, events, or activities of the **ETRO**. Any suspension before final resolution may be appealed to the **ETRO** Board of Directors and **ETRO** Safety Committee at the written request of the accused individual within 15 days of the suspension.

INVESTIGATION

As appropriate, and at its discretion, **ETRO** may institute a formal investigation and hearing procedure to address serious allegations of misconduct (e.g., physical and sexual misconduct). However, **ETRO** anticipates that an investigation and hearing will be undertaken to address only the most serious allegations and patterns of behavior that warrant significant sanctions. **Accordingly, ETRO anticipates that this disciplinary procedure will be used rarely.**

If an investigation is conducted, the complainant, victim and accused individual shall have the right to:

- a) Receive written notice of the report or complaint, including a statement of allegations
- b) Present relevant information to the investigator(s)
- c) Legal counsel, at his or her own expense

HEARING

Procedural Safeguards

In every case where a hearing is warranted pursuant to this Policy, an adjudication shall be conducted that shall in all cases comply with **ETRO'S** Bylaws. The adjudication shall further conform to the provisions and principles set out hereafter. However, deviations in one or more of the procedural safeguards are permitted, provided the following conditions are satisfied:

- a) The individual is informed of the allegations and evidence brought against him or her
- b) The individual is given a reasonable opportunity to respond to the allegations brought forward
- c) The individual may be represented by legal counsel at his or her expense
- d) The panel member(s) who make the determination are free of conflicts of interests and render an unbiased decision
- e) There is a right to appeal the panel's decision

Preliminary Determination

On receipt of a disclosure and/or additional information made pursuant to this Policy, if the Incident Review Official is satisfied, in the exercise of his or her discretion, that there is a sufficient reasonable, reliable and persuasive evidence to support the complaint alleging emotional, physical or sexual misconduct, he or she shall notify the Review Panel.

Notice

The accused individual will be notified of a specific date and time to ensure that he or she is available for the hearing. Unless the Review Panel requires the individual to attend the hearing in person, the individual may appear by telephone conference call. The individual has the right to be represented by legal counsel at the hearing, provided that the counsel's participation may be subject to the reasonable hearing rules related to the conduct of the hearing.

Timing

The Review Panel shall have the authority to set timelines and other rules regarding the proceeding and the conduct of the hearing, as it deems necessary.

On request of the accused individual, and provided that it is necessary to expedite the proceeding to resolve a matter relating to scheduled training or competition, the Review Panel may render an expedited determination.

Evidence

At the hearing, the accused individual will be allowed to present any reasonable evidence or argument that he or she wishes the Panel to consider. The Panel may require or permit documentary evidence, such as the written report of any investigator or other fact-finder, before the hearing and that the names of any witnesses be disclosed before the hearing. The Panel may also consider a local club's employment determination as evidence to be considered.

If the complainant/alleged victim(s) is a minor, the investigator's or other fact-finder's report may substitute for the minor witness's direct testimony, provided that the accused had an opportunity to present and respond to relevant information collected during the investigation and before the report was transmitted to the Review Panel.

The Review Panel may proceed in the accused individual's absence if it cannot locate the individual or if the individual declines to attend the hearing.

Findings and Sanctions

The Panel has the discretion to impose sanctions on the individual if it finds based on a preponderance of the evidence that emotional, physical or sexual misconduct has occurred.

The Panel will communicate its finding to the individual. The Panel may impose sanctions on the individual in its findings.

Any sanctions imposed by the Panel against the individual must be proportionate and reasonable, relative to the content that is found to have occurred. The decision regarding the appropriate sanction shall be up to the panel deciding each complaint. In imposing a sanction, the Review Panel shall consider:

- a) The legitimate interest of **ETRO** in providing a safe environment for its participants
- b) The seriousness of the offense or act
- c) The age of the accused individual and alleged victim when the offense or act occurred
- d) Any information produced by the accused individual, or produced on behalf of the individual, in regard to the individual's rehabilitation and good conduct
- e) The effect on the **ETRO'S** reputation
- f) Whether the individual poses an ongoing concern for the safety of **ETRO's** athletes and participants
- g) Any other information, which in the determination of the Panel, bears on the appropriate sanction

Sanctions may range from a warning and a reprimand to suspension from sport involvement with the **ETRO** for a period of time. Suspensions from sport involvement with **ETRO** may be temporary or permanent. The most severe sanction possible to impose will be permanent suspension from sport involvement and expulsion from the **ETRO**.

For the purposes of this Policy, a suspension from sport involvement shall mean that the individual may not participate in any capacity or in any role in the business, events or activities of the relevant organization or its affiliated participants for the duration of the period of suspension.

Confidentiality

The conduct of the hearing will be private. If the Panel determines that the individual has violated policy, it may publish its decision or a brief summary of its decision, unless the accused is a minor. However, if the individual appeals, the summary of the panel's decision will not be disclosed until an appellate decision has been made.

If the Panel determines the accused individual did not violate the relevant policy, the panel will publish a summary only at the individual's written request.

6. MONITORING YOUR STRATEGY

What

A monitoring policy describes how the organization will observe interactions and react appropriately.

Why

Monitoring helps recognize, reduce and respond to inappropriate and harmful behaviors and to reinforce appropriate behaviors.

Elements

- Describes who is responsible for monitoring
- Describes what to monitor (e.g., inappropriate or harmful behavior as set forth in relevant policies)
- Describes monitoring method (e.g., formal and/or informal supervision)

MONITORING

By monitoring the interactions among staff, volunteers, athletes, and other, **ETRO** works to prevent, recognize and respond to inappropriate and harmful behaviors as set forth in our Participant Safety Handbook, while reinforcing appropriate behaviors.

MONITORING COMPLIANCE WITH POLICIES AND PROCEDURES

ETRO monitors for compliance with its policies and procedures, including without limitation its Awareness Training, Travel, Locker Room and Changing Areas, and Physical Contact Policies.

MONITORING METHODS

ETRO utilizes multiple monitoring methods to observe how individuals are interacting, including without limitation (1) formal supervision, including regular evaluations; and (2) informal supervision, including regular and random observation (e.g., roving and checking interactions throughout practices), and (3) maintaining frequent contact with Coaches, Staff members, Volunteer and Athletes who interact off-site.

RESPONDING TO INTERACTIONS

While **ETRO** has a formal reporting policy, Coaches, Staff members, Parents and/or Volunteers should be prepared to respond immediately to inappropriate or harmful behavior, potential risk situations and potential boundary violations. When appropriate, they will redirect inappropriate behaviors to promote positive behaviors, confront inappropriate or harmful behaviors, and report behaviors if necessary.

REPORTING

Coaches, Staff members, Parents and/or Volunteers are required to report policy violations, misconduct and physical and sexual abuse consistent with **ETRO's** Reporting Policy. **ETRO does not investigate suspicions or allegations of child physical or sexual abuse or attempt to evaluate the credibility or validity of such allegations as a condition for reporting to appropriate law enforcement authorities.**
